HOW TO USE THIS DECK

This Deck is simple, yet powerful. Destroy any Spell and Trap cards that could stop your monsters' attacks, Special Summon high Level Dinosaur-Type monsters with overwhelmingly high ATK, and launch your attack with them. You have many ways to Special Summon

SPECIAL SUMMON MONSTERS

DISRUPT YOUR OPPONENT AND WAIT FOR YOUR CHANCE

"Hyper Hammerhead"
"Mesmeric Control" "Seismic Shockwave" "Magical Arm Shield" "Negate Attack" "Malfunction" "Goblin Out of the Frying Pan", etc.

CLEAR THE FIELD WHEN THINGS GET ROUGH

MAKE POWERFUL ATTACKS WITH HUGE MONSTERS

IF YOU CANNOT ATTACK

Inflict damage with the effect of "Super Conductor Tyranno". This works best if you Tribute "Black Ptera", because it will return to your hand again!

ACE CARD FOR YOUR FINAL STRIKE

Power up your "Tyranno Infinity" by removing Dinosaur-Type monsters in the Graveyard with "Survival Instinct". This is strong because you should have many monsters in your Graveyard by the time you're ready to finish the Duel.

POWER UP

WITH BOOSTER PACKS

LET'S POWER UP THIS DECK!

Make your Structure Deck more powerful by adding cards from Booster Packs (sold separately). Here are some examples of cards to add to your DINOSAUR'S RAGE STRUCTURE DECK (you may need to buy multiple Booster Packs to pull these cards).

ELEMENTAL ENERGY

You can add more copies of "Hydrogeddon" and "Oxygeddon", and Special Summon "Water Dragon" with "Bonding - H₂O". When it's destroyed its effect will bring "Hydrogeddons" and "Oxygeddon" from your Graveyard back to the field.

CYBERNETIC REVOLUTION

In this pack you can find "Tyranno Infinity", which is a great card late in the game. Protect your Life Points with "Dimension Wall", because it will send your opponent's sudden attack back to their Life Points.

POWER OF THE DUELIST

Get more of this Deck's best cards in this pack. "Black Ptera" will prevent you from running out of monsters, since it will return to your hand when it is sent to the Graveyard outside of battle. "Ultimate Tyranno" is a high Level monster that can attack every monster your opponent controls. You can Special Summon monsters from the Graveyard very easily with "Fossil Excavation" although their effects will disappear. Once you discover which cards are your favorites, add more of them to your Deck.

SHADOW OF INFINITY

If 1 of the high Level Dinosaurs is your favorite and you put 3 copies of it in your Deck, you can Special Summon 1 from the Graveyard with "Symbol of Heritage". Having more copies of "Goblin Out of the Frying Pan" will let you negate your opponent's Spells, and if they have costs, your opponent will have to pay again.

DARK REVELATION VOLUME 2

Like POWER OF THE DUELIST, this pack contains many of this Deck's best cards. "Hyper Hammerhead" can return any powerful monster to your opponent's hand. "Dark Driceratops" can inflict piercing battle damage even while attacking Defense Position monsters. Try adding a Reptile monster and Special Summon a Dinosaur with "Ultra Evolution Pill".

THE LOST MILLENNIUM

"Double Attack" is great in this Deck, because it combos best with high level monsters. "Nitro Unit" can be powerful, since you can destroy monsters with high ATK because your monsters have even stronger ATK!
